Dear all

Here is some more information on the posert.

- Size is A0, portrait
- If you send it to me by Tuesday, 19 Dec, midnight, I will print it for you. There is a Folder on ILIAS for uploading posters.
- The handout needs to be uploaded by Thursday midnight. It is like an appendix, and you can use it for different purposes. You can give more detail, add additional material, use it for discussion questions. etc. I will print out a couple of prints.

Best regards,
Stefan
